1. This Office Action is in response to applicant's RCE and entry of the amendment received on 3 August 2006.

2. The following is an examiner's statement of reasons for allowance:

The prior art teaches that it is well known to provide low bandwidth transmissions by converting speech to and from text. However, the combination requiring voice activity detection and comfort noise which must be time-ordered with each pause in speech is not taught in the prior art of record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Some correspondence may be submitted electronically. See the Office's Internet Web site <http://www.uspto.gov> for additional information.
